

ORCA^{PowerCat} Seaduction

Presenting a new era of contemporary marine luxury, the **Aquila 42 Power Catamaran, built in 2025** by the esteemed Aquila Power Catamarans, sets a bold standard for modern family cruising and extended adventures at sea. This remarkable vessel combines refined design with exceptional stability, creating unforgettable moments on the water.

Crafted with innovation at its core, the Aquila 42 Power Catamaran showcases a wide-beam platform that delivers superior comfort and efficiency. Its expansive flybridge and aft cockpit offer seamless indoor-outdoor living, perfect for entertaining, relaxing, and enjoying sweeping panoramic views of the horizon.

Large windows invite natural light throughout the salon, while the fully equipped galley and generous dining area create a welcoming social hub.

The Aquila 42 Power Catamaran embodies the spirit of a floating private resort. With its spacious layout, exceptional stability, and refined comfort, this power catamaran invites you to experience the sea with effortless elegance—where freedom, luxury, and performance converge.
